DAAN UTSAV

‘**Spread joy, share love**’ is the slogan that resonated in our school through the entire last week of September as we celebrated the Daan Utsav , the Joy of Giving. The entire school was pulsating with commitment and fervor to share resources, time and happiness to make a little difference to many lives in need.

Students of Classes III and IV reached out to a Senior citizens’ home to spend a few hours of affection and love with the elderly inmates. The students interacted with the elderly followed by an entertainment program with music and dance. The inmates were very happy and blessed everyone.

Our school representatives volunteered to visit Anandaghar, the home of happiness, to spread love and care with goodies to celebrate the upcoming festivals. All were welcomed by the HIV+ children and orphans and their happiness knew no bounds as they felt valued and respected.

Following the footsteps of our mentor Swami Vivekananda, the entire school also believes in empathy with every living soul and so reaching Chhaya, the animal care unit, was an outstanding job on our part. We carried a bunch of goodies for the voiceless inmates and prayed to the almighty for their happiness.

Thus, celebrating the **Daan Utsav** right at the onset of the biggest yearly festival made all of us happy at heart as we understood.

INVESTITURE CEREMONY

"A leader is the one who knows the way, goes the way and shows the way." - John C. Maxwell

VMS's motto is to create leaders of tomorrow and there is a special ceremony that turns it into reality. For us, the Investiture Ceremony is not just about providing titles, but about conferring responsibilities to the students, to take charge of the school and take it to the height they desire with their leadership and decision-making skills, communication and teamwork.

At this ceremony, a school prefectorial board is formed after scrutinous interviewing and selection which gives them a feel of functioning of an official administrative body. The selected students are honoured with their respective badges such as School Captain, House Leaders take an oath to faithfully work for the school. Our Principal Sister, Mrs Chandrani Ghosh, also encourages them to put in honest efforts for every endeavour and become an inspiration for others.

BHASHA DIWAS “একুশে ফেব্রুয়ারি বাঙালির আত্মত্যাগের ইতিহাস,
তাদের রক্তে তৈরি ভাষার প্রতীক প্রক্ষিপ্ত ॥
বিপ্লবীর চোখে চির বিজয়ের বিশ্বাস,
হাজারো মাতৃভাষার মর্যাদা হলো দীপ্ত ॥”

Attending seminars and workshops is a vital part of professional development for teachers. These events provide opportunities for educators to enhance their knowledge, refine teaching methods, and stay updated on the latest trends in education. Seminars often focus on new educational research, pedagogical strategies, and emerging technologies, while workshops allow teachers to engage in hands-on learning experiences. By participating in these enrichment programs, teachers can improve their skills, network with peers, and implement innovative practices in the classroom, ultimately benefiting both their professional growth and their students' learning experiences.

Some of the enriching events attended by our faculty members this session were:
