The great

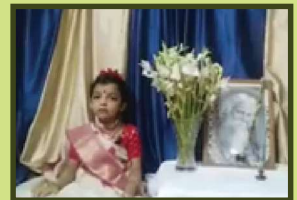

RAY

On 2nd May 2021, the great Indian film maker, the great "RAY" had completed his birth century. Son of Sukumar Ray, Satyajit Ray had created a new dimension of Bengali Cinema which later critics called "parallel cinema". His 1st film, Pather Panchali was a mile stone of not only Bengali cinema but also a mile stone in world cinema as well. Satyajit Ray was not only a filmmaker, he even created music for his films. He did all on his own- screenplay, cinematography, production. That is why we can say in Bengali, Satyajit Ray was “একাই একশো” এবং “একশোয় একশো”. A short video paying tribute to Ray was shared on our Facebook page- Vivekananda Mission School, Joka_Official.

Rabindranath Tagore's 160th birth anniversary was observed by students of different classes through a cultural programme based on Tagore's composition.

Celebrating WORLD MUSIC DAY

On 21st June 2021, VMS celebrated the World Music Day, virtually. Teachers along with the students participated in this event. The whole evening was a musical one, which started with Saraswati Vandana by a student then Bhajan, Rabindra Sangeet, Lokogeeti and so on. Not only devotional songs, participants mesmerized the audience by singing Bengali songs, Adhunik Bangla gan and many more as music has no language and it has no boundaries as well. The programme was brought to an end with the singing of Jamaica Farewell song, in both Bengali and English. Students from the Primary Section also took part in an online Antakshari, to observe World Music Day.

Soujanya Sardar of Class VIII started writing the book 100% Real Facts on 5th November, 2020. The book was first published in USA on 6th February, 2021 and later in India on 19th May, 2021.

"I was roped in as the Music Composer and Sound Designer for this film. This was definitely my very first experience of working closely with a film director and designing the soundscapes and the music of this entire film. Every audio except a few bits and pieces here and there and the dialogues, all had to be made from scratch. It was quite a new experience and an extremely fun one! I'd love to keep working on film's as a Music Composer in the future."

Rajobrata Das of Class XII Section A has been roped in as the Music Composer for the short film 'Notun Janmo' by Abhishek Chattopadhyay.
